

At SilverStone Hospice, we are called to care. We believe there are no do-overs. We must get things right every single time, for every single family. This is how we do things

	EARLIER START OF HOSPICE CARE	LATER START OF HOSPICE CARE
 <b>Pain Management</b>	Effective pain control, more quality time	Managed, some discomfort
 <b>Emotional &amp; Spiritual Support</b>	Comprehensive support, life reflection	Basic support, medical focus
 <b>End-of-Life Planning</b>	Early grieving process, smoother acceptance	Delayed grieving, and emotional challenges
 <b>Bereavement Support</b>	Detailed planning, less stress	Immediate plans, less detailed
 <b>Emergency Room Visits</b>	Less likely due to the well-managed condition	Higher risk due to condition deterioration

*Our mission is to empower families to provide the best care and experience for their loved ones. Our aim is to provide the best options for our patients as we walk with them every step of the way.*
